Motorized screens
Majestic

Motorized screens

Majestic

From 160 to 400 cm

New smart design combining elegance and reliability.

- Nice housing design
- Different colours available
- Easy to install
- Optional LED backlight

Majestic is an electric screen whose features, high quality standard, silent system of fabric dragging and versatility under different projection conditions, make it the right solution for small to medium size rooms.

The wide range of fabrics available satisfy almost all the various projection needs. The Majestic electric roll screen is an excellent solution for private screenings or large audiences.

Available with 5cm black surrounding borders and top drop of 30 cm, or without black borders and also in tensioned version (tab-tension).

Smart design!

The fixing brackets and the control and power cables are invisible.

Optional: LED rear lights.
